The Honorable Sam Graves  
Ranking Member  
Committee on Transportation  
and Infrastructure  
U.S. House of Representatives  
Washington, D.C., 20515

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Princeton Overhead Bridge (WV State Project No. S328-20-11.35 00) in surface transportation reauthorization legislation.

The project sponsor for this project is the West Virginia Department of Transportation and the project is located in Princeton, located in Mercer County West Virginia, on West Virginia Route 20.

The funding is designated for the development of a new bridge to replace the existing 39' wide by 544' long bridge that is in serious disrepair.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits of continuing to safely connect the citizens and the commerce of the region to major thoroughfares.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Carol D. Miller".
